

Systems Improvement Engine

For each behavior:

1. Rate how consistently that behavior your improvement team is implementing it,
2. Describe the reason for your rating, and
3. Jot down any change ideas you would like to test in order to adopt this behavior.

Behavior 1 *Every meeting begins with restating the shared aim and embeds data to evaluate progress towards that aim.*

Rating: Never Sporadically Sometimes Most of the time All of the time

Main reason for that answer:

Change ideas:

Behavior 2 *Meetings include review of the current change ideas your community is testing, results of the last test(s), and the next test(s) being run. These change ideas support a pathway to reaching the shared aim.*

Rating: Never Sporadically Sometimes Most of the time All of the time

Main reason for that answer:

Change ideas:

Behavior 3 *Commitments, big and small, towards your shared aim are directly asked for, written down and leadership holds each other accountable. Period.*

Rating: Never Sporadically Sometimes Most of the time All of the time

Main reason for that answer:

Change ideas:

Behavior 4 *Continual data analysis is done to understand where to focus improvement efforts.*

Rating: Never Sporadically Sometimes Most of the time All of the time

Main reason for that answer:

Change ideas:

Behavior 5 *Two-way communication is happening between frontline workers and the leadership team(s) to identify barriers and system problems that need to be solved in order to reach the shared aim.*

Rating: Never Sporadically Sometimes Most of the time All of the time

Main reason for that answer:

Change ideas:

Behavior 6 *Leadership and frontline teams focus on solving problems and clearing the path when barriers are identified.*

Rating: Never Sporadically Sometimes Most of the time All of the time

Main reason for that answer:

Change ideas:

Behavior 7 *Regular and targeted communication is being made to key stakeholder groups about what is being accomplished, what's next, and what is needed to get there.*

Rating: Never Sporadically Sometimes Most of the time All of the time

Main reason for that answer:

Change ideas:
