# What did we learn?

- Successes – according to the data as well as anecdotal – “process” successes and reduction in chronic homelessness #
- Challenges/Barriers – what did not work? Thoughts?
- Preconceived ideas – confirmed or no?
- What do you want to continue or not and why? Or continue in modified way?
- Next steps – what do you as a program or individual want to “test” next, and what should the system test next?
