

A stylized illustration of a city street scene. In the foreground, there's a light blue building with a red roof and a white archway. To the right, a large green tree stands next to a taller, peach-colored building with an arched entrance. A person in a white shirt and dark pants is standing on a ledge of the peach building, pointing towards the left. The sky is a light blue gradient with a bright white sun or moon. A street lamp is visible on the right side.

TODAY'S GOALS & OBJECTIVES

- Continue to build relationships and share knowledge across HSLC communities and beyond
- Obtain a better understanding of what Cincinnati and other HSLC communities are doing and learning in their inflow data analysis efforts

Foundational Priorities for Phase 1: Starting Points

1. **Building Leadership & Organizational Capacity**

- Dedicated HSLC Lead Organization, Local Coordinator & Data Lead point-of-contact + initial Working Group (to begin)
- Formalized diverse, representative Core Prevention Team with Leaders with Lived Expertise (by April)

2. **Understanding Current State of Prevention**

- Environmental Scan/Resource Mapping

3. **Using Qualitative & Quantitative Data**

- Initial inflow investigation

4. **Moving Toward a Coordinated Prevention Approach**

- Adopt common definition of Coordinated Prevention
- Providers test screening, prioritization, access point, referral & training tools

5. **Setting Measurable Goals to Reduce Inflow & Advance Racial Equity**

COORDINATED HOMELESSNESS PREVENTION SYSTEMS: Core Elements

- ✓ **Shared Vision, Understanding & Commitment to Prevention** related to literal homelessness
- ✓ **Coordinated, Housing-Focused Access Points & Service Providers** across a wide variety of “upstream” community-based and cross-sector settings
- ✓ **Standardized Housing Insecurity Screening, Response, and Referral Tools and Protocols** including broad use of housing problem-solving and coordinated access prioritization approaches
- ✓ **Shared Data Culture & Platform** supporting data collection, service referral and coordination, and reporting
- ✓ **Ongoing Backbone Entity Support** for partner recruitment, training, reporting, analysis, and ongoing system management & development

A stylized illustration of a park scene. A large tree with orange and brown foliage dominates the upper half. Below it, a person is sitting on a pink blanket on a path, accompanied by a white dog. The background features rolling green hills and a city skyline in shades of blue and white. Two street lamps are visible on either side of the path. A dark grey banner with the text 'THANK YOU!' is centered over the middle of the image.

THANK YOU!
