

BfZ Road Trip: Current State

Learning Session 2023

Who do I want to connect with this week?

1. Set foundations to drive system improvements and progress toward Functional Zero

You understand who has decision-making power that allows your team to implement system change.	GREEN	YELLOW	RED
You have the leadership and staff capacity necessary for system improvement.	GREEN	YELLOW	RED
You have an aim to reach Functional Zero that sets you up to develop and work toward shared goals.	GREEN	YELLOW	RED
You have quality data that provides a comprehensive view of the challenge and allows you to understand and measure the performance of your system and the impact of changes you make.	GREEN	YELLOW	RED

GROUP CONSENSUS: we are a **GREEN** **YELLOW** **RED** in this area

What are major challenges getting in the way of moving forward in this area?

2. Establish new practices and a culture of working together

Your partnerships don't just rely on one relationship holder, but are rooted in trust and resilient despite turnover.	GREEN	YELLOW	RED
Your community has adopted mindsets that foster a culture of improvement and support work to reduce homelessness. These include growth mindsets, a bias toward action, and curiosity.	GREEN	YELLOW	RED
Your system is highly coordinated and aligned. You can identify and address silos quickly when they occur.	GREEN	YELLOW	RED
Your team fosters a culture of evidence-informed practice and ongoing learning.	GREEN	YELLOW	RED
Your system uses equitable and person-centered approaches.	GREEN	YELLOW	RED
You frequently test, revisit, and refine new ideas to solve homelessness.	GREEN	YELLOW	RED

GROUP CONSENSUS: we are a **GREEN** **YELLOW** **RED** in this area

What are major challenges getting in the way of moving forward in this area?

3. Influence changes in the broader system

You understand local policy barriers and work to engage stakeholders who have power to effect policy change.

GREEN **YELLOW** **RED**

Your team is engaged in efforts to change public narratives around homelessness and people experiencing homelessness to achieve a community-level shared belief that homelessness is solvable.

GREEN **YELLOW** **RED**

Your team is knowledgeable about available resources, is involved in efforts to expand and diversify funding, and coordinated resources across your system to mobilize them effectively.

GREEN **YELLOW** **RED**

Your team understands the housing supply needed, is working to close supply gaps, and has adequate housing retention services and programs.

GREEN **YELLOW** **RED**

GROUP CONSENSUS: we are a **GREEN** **YELLOW** **RED** in this area

What are major challenges getting in the way of moving forward in this area?
