

Social Media Toolkit

A monthly digest of social content for Built for Zero communities

May 2024

This monthly toolkit is designed to assist Built for Zero-affiliated organizations by providing important reminders, timely communications guidance, links to helpful resources, and social media content.

As we engage with the general public and stakeholders, we should always be cognizant of current events. Please use your best judgment to adapt digest content to fit your local context. It is okay to refrain from posting suggested content if you and your local team decide it's not appropriate, given the local context.

Mental Health Awareness Month	<p>Homelessness is a public health crisis. Individuals experiencing homelessness are more likely to have chronic physical and mental health conditions. In fact, as the @NationalHCHCouncil asserts, being unhoused "creates new health problems and exacerbates existing ones." 🧠 #MentalHealthAwareness</p> <p>Learn the facts: https://community.solutions/expert-roundup-public-health-and-homelessness #HomelessnessIsSolvable</p>	<p>Homelessness is a public health crisis. <p>Mental Health</p>	<p>🚓 Traditional policing may not always be the answer. Too often, it triggers trauma. In moments of crisis, seeing law enforcement can be daunting, not reassuring. We support empathetic alternatives that prioritize community well-being and support. 🙏 #HomelessnessIsSolvable</p> <p>💡 Learn more: https://community.solutions/faqs-about-mental-health-and-homelessness</p>	<p>🚓 Traditional policing may not always be the answer.
