<p>Solving homelessness across an entire community is complex. But it's virtually impossible if everyone is not clear on the end state they are trying to achieve and able to objectively measure if they're moving closer to it. 🎯</p> <p>That's why we're thrilled to introduce a new functional zero definition for youth homelessness.</p> <p>This milestone isn't just about crossing a finish line — it's about building a sustainable reality where homelessness among youth is rare and brief. ✨</p> <p>Explore:  <a href="https://community.solutions/built-for-zero/functional-zero/#youth">https://community.solutions/built-for-zero/functional-zero/#youth</a></p> <p>#HomelessnessIsSolvable</p>	<p>🎯 Excited to unveil a new functional zero for youth homelessness! Why is a shared definition of ending homelessness crucial? 🤔

Solving homelessness becomes significantly more manageable when everyone is clear on the goal.

That's why we're thrilled to announce a new functional zero definition for youth homelessness. 🎉
